

## The IPAD APP

---

### DOWNLOADING THE APP

- Go to your Learn-Wise site in Safari on your iPad
- Log in with a User account (admin accounts will not be able to generate the PIN)
- Click “Show iPad Activation PIN” at the top right corner of your screen
- Write down your Activation PIN. You will need to enter this when activating your app.
- Click “Install App”
- Once the app has been installed, activate your app by entering the Activation PIN
- You will only need to do this once to activate the app

---

### USING THE APP

- Once the app has been installed and activated, hit “Refresh” (in the top right corner) to load documents.
- You can now access these documents/files even when you are not connected to Wi-Fi
